# FLEAGLE TO HANG FOR 4 MURDERS

## HOPE HELD OUT FOR VERDICT

LOS ANGELES, Oct. 26.—UP—The jurors in the Alexander Pantages assault case retired to a hotel at 9:05 p. m. tonight after requesting that all documentary evidence be given to them at 10:20 Sunday when they will meet for additional deliberation.

When the jury finally left the Hall of Justice it had been almost 30 hours since the case was submitted at 4:17 p. m. Friday.

Judge Charles Fricke said that the request of the jurors will be granted and that all exhibits in the case will be added in hopes that a verdict might be reached.

The exhibits, numbering about two dozen include, the bright red outfit worn by Eunice Pringle, 17-year-old dancer on Aug. 9 when she alleges she was assaulted by Pantages when she met him to talk about her act.

Three times during the day weary attendants were electrified by the summons of the jury room buzzer, but each time the hall porter brought back the word, "No Verdict."

PANTAGES NERVOUSLY AWAITING VERDICT

LOS ANGELES, Oct. 26.—UP—Playing the principal part in a drama more intense than anything ever presented in his theater, Alexander Pantages paced the floor of a small ante room in the courthouse late today while a jury deliberated his case.

The millionaire theater man was nervous as his trial on charges of assaulting Eunice Pringle, 17-year-old amateur dancer, neared a climax.

After weeks of sensational and startling testimony, the case was placed in the hands of a jury at 4:17 p. m. yesterday and that body deliberated without result until 9:30 p. m. when it retired.

Resuming deliberations at 9 a. m. today, the jury was still (Continued on Page 8)

## MARKET QUIET AFTER CRASH

NEW YORK, Oct. 26.—(UP)—Stock market operations today had settled down to a quiet pace, with fluctuations of prices relatively narrow. This was in marked contrast to the boiling market of Thursday, when shares were dumped recklessly and dealings amounted to 12,894,650 shares, halting abruptly the bull movement that started in 1924.

Reverberations of the break that brought values of listed securities down some \$10,000,000,000 this week were still heard throughout the country. Financial circles believed that it will be six months to a year before any further public buying on a large scale could be expected. Meantime it was predicted operations would be relatively dull.

This week made new stock market history. Sales broke all records; 974 issues appeared on Thursday, a record; prices broke worse than ever before; records were set for half hour when more than 1,600,000 shares appeared from 10 to 10:30 Thursday.

Former Premier Resting Easily

## 3 PROMINENT TRIALS MAY AID FITTS TO HIGHER POST

SAN FRANCISCO, Oct. 26.—UP—Intense interest in recent criminal trials in southern California vied here tonight with political gossip as the public pondered the probable destiny of Burton Fitts' youthful district attorney of Los Angeles county.

Difficulty on the part of three individuals, Asa Keyes, Mrs. Lois Pantages and Alexander Pantages may form the rungs of a ladder up which Fitts may climb to greater political fame.

Prosecution of these three cases each containing a large share of drama and commanding national attention, may permit Fitts to advance from a prosecutor to a governorship or United States senatorship.

Johnson May Quit

Rumors current here have it that Hiram W. Johnson, senior senator from California who first won acclaim as a prosecutor, may never seek re-election. This report, wholly unconfirmed, would be what the gambling boys call a "natural" for Fitts should it become a reality.

Feeling is keen in southern California for direct representation in the United States senate. Both Johnson and Senator Samuel H. Shortridge claim San Francisco, in northern California as their home.

And for a long time now the ambitious southerners have thought about having a southerner as governor. Fitts may or (Continued on Page 8)

## DOUG, MARY TO MAKE TALKIES

PARIS, Oct. 26.—(UP)—Douglas Fairbanks, and his wife, Mary Pickford, announced today that they had been converted to the talkies.

Before starting on a world tour which will end in California next January, Fairbanks said he would start a talkie in Hollywood next February.

"The talkies haven't hit their stride but I believe in them," Fairbanks said. "I am going to make a talkie and Mary is too."

The itinerary of their world tour will take them to Lausanne, Switzerland; Athens, Cairo, Colombo, Ceylon; Shanghai, Yokohama, and Honolulu.

## Briand Refuses Post On Cabinet

PARIS, Oct. 26.—UP—Edouard Daladier, leader of the radical Socialist party, accepted today the difficult task of forming a government to succeed that of Aristide Briand.

One of Daladier's first acts was to call on Briand this afternoon and offer him the foreign ministry, a post he has held almost continuously since April, 1925, like a veritable rock in the ebb and flow of French politics. It was understood that Briand refused to serve under Daladier.

## Mexican Flier Reported Safe

MEXICO CITY, Oct. 26.—UP—Anxiety over the failure of Captain Feliciano Flores to reach La Paz on a short flight from the Mexican capital Thursday was relieved today by news that the noted flier had been forced down on the island of San Jose but escaped injury.

## OUSTED S. F. ENVOY DENYS OPIUM PLOT

NANKING, Oct. 26.—UP—Evidence intended to prove that Mrs. Kao Ying, wife of the former Chinese vice consul at San Francisco, planned to throw her baggage into the sea when first suspected of smuggling opium was introduced in her trial here today. Kao Ying, and Mrs. Kao are jointly charged with attempting to smuggle opium into the United States.

The evidence offered was a telegram sent from San Francisco in the name of Mrs. Kao Ying, to Wu Chao Chu, Chinese minister at Washington. The wire was sent when American customs officials announced their intention of searching her trunks. The message suggested throwing the trunks overboard.

Mrs. Kao denied that she sent or authorized sending the telegram. She also denied knowing the trunks contained opium. She reiterated the statement made in San Francisco that friends in Hong Kong asked her to take the trunks to America.

Kao admitted on the stand that he had telegraphed to the legation at Washington asking the minister to arrange diplomatic clearance of the baggage at San Francisco but insisted there was nothing significant in the action. The prosecution asked Kao if he had ever taken part in plots to smuggle Chinese laborers into the United States. He denied any part in such plots but admitted a Shanghai resident Chen Yes-Yi had approached him in China regarding the matter.

## Y Workers To Hold Banquet

A banquet will be held Monday evening by the gymnasium and office assistants of the Richmond Y. M. C. A. Rev. A. Alden Pratt will speak on the "Meaning of Service." W. L. Seakright, Richmond playground director, will address the meeting on the subject of "Athletics."

The meeting is the first social event ever held by the Y. M. C. A. assistants, and is being held for the purpose of planning their work for the coming year. The dinner will be held at 6:15 in the Y. M. C. A. building.

## 31 RESCUED IN LAKE STORM

SAULTE STE MARIE, Mich., Oct. 26.—UP—Thirty-one men today were rescued from Michipicott island in Lake Superior, where they were marooned when storms which have been raging over the Great Lakes all week drove their ship, the package freighter Chicago, on to the rocks at the northern tip of the wild and virtually uninhabited island.

Although they had suffered from cold, hunger and exposure since Tuesday, the shipwrecked sailors were said to be in good condition when they were taken off the island today by the coast guard cutter Seminole.

The Seminole is expected to arrive here between one and two a. m. Sunday.

No particulars of how the rescue was effected were given in any of the brief messages received here.

At about the same time that the radio messages were received, word came from Quebec harbor that seven more of the men had fought their way across the wilderness of the island to safety and had reported the rest of the crew safe. The Seminole apparently effected the rescue of the remaining sailors after the seven had started on their long and perilous trek.

Only a few Indian fishermen inhabit the bleak island where the Chicago was tossed into the rocks by the storm Tuesday night. The island is 120 miles north-west of this cross-roads of the Great Lakes system. It is a wilderness of crags, underbrush and marshes.

The Chicago's seams were opened by the pounding waves and her cargo of shingles, butter, flour and copper shifted until the stern was submerged and the bow lifted out of the water.

Captain P. C. Ferrell of Buffalo was reported to have remained aboard until all of his men, including one cripple, had fought their way through icy numbers to temporary safety on the island. Then he followed them to remain without food until the coast guard effected the rescue today.

## FALL TO BE SENTENCED FRIDAY WILL FACE FINE, IMPRISONMENT

WASHINGTON, Oct. 26.—UP—Former Secretary of Interior Albert B. Fall probably will be sentenced next Friday to imprisonment, fine and disqualification from public office for his conviction on charges of accepting a \$100,000 bribe while a member of the Harding cabinet.

The sentence may be from one day to three years.

The jury, which yesterday found the 68-year old defendant guilty of accepting the \$100,000 in the little brown satchel from E. L. Doheny, oil millionaire, unanimously recommended mercy and there is little likelihood therefore that the maximum sentence of three years and \$300,000—triple the amount of the bribe—will be imposed. All three punishments, however, are mandatory.

Frank J. Hogan, today planned an attack on the actions of Justice William Hitz, who presided at the trial, in their motion for a new trial. This motion, filed a few hours after the verdict, and containing 30 grounds for a new trial, will come up for

## NICARAGUAN EXILES START FOR HOME TO FACE PROBE

SAN FRANCISCO, Oct. 26.—(UP)—Three men "without a country" were aboard ship today, returning to their native land of Nicaragua to fight exile orders, after twice having been denied entrance to the United States.

Five more men "without a country," their companions in the enforced exile from their homeland, are in detention on Angel Island, immigration headquarters here, preparing to fight for return home and the right to land here pending negotiations for the lifting of the ban upon return to Nicaragua.

New Hope

New hope that all eight would be successful in restoration of their Nicaragua citizenship came from Managua a few hours before the Panama Mail liner Colombia, on which they faced deportation, sailed for Central America.

Friends there sent word that several radicals had been arrested and held culpable for the same crimes alleged to have been instigated by the exiles.

Three of the men—Enrique Avila, business man; Alfredo Rivas, editor, and Fernando Larros, labor leader—decided to return home and face the situation, even at the possible peril of arrest and more drastic punishment than exile.

The five others remaining are Gustavo Manzanarez, attorney; Gabry Rivas, journalist; Dr. Salomon de la Selva, former professor at Williams college; A. Ortega Diaz and Adan Z. Morales, business men.

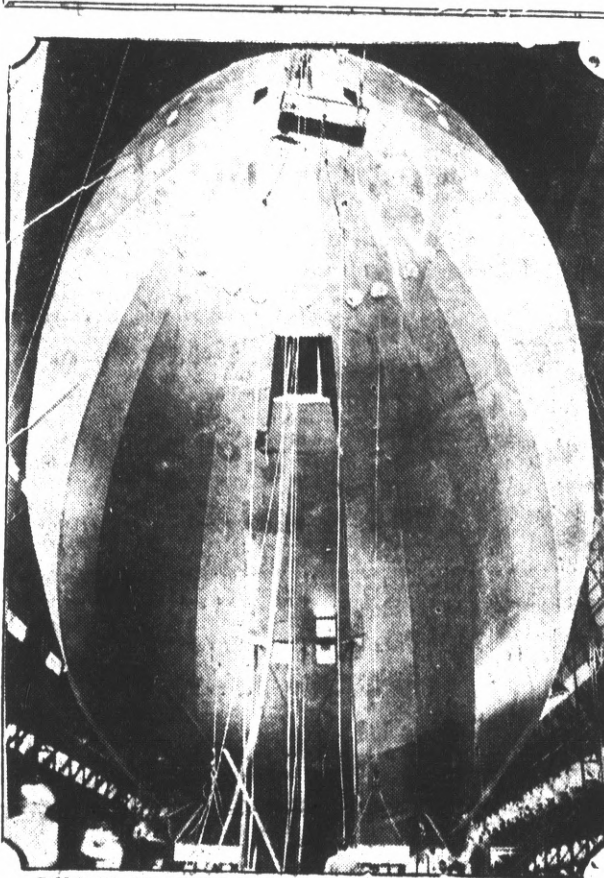

In their fight to secure a haven of refuge in the United States on "humanitarian" grounds, they have the backing of the American Civil Liberties Union, which will press their case before the secretary of labor.

Meanwhile they gaze with longing eyes across the two mile stretch of San Francisco and San Francisco—uncertain of their fate—truly "men without a country."

## LOBBY PROBE USED IN SCORING TARIFF BILL

WASHINGTON, Oct. 26.—(UP)—The evidence of secret lobbying of a manufacturers' tariff lobbyist by Senator Bingham, Republican, Connecticut, was laid before the Senate today and used as an argument against the pending tariff bill.

The Senate lobby investigating committee, which elicited the facts submitted a formal report thereon, but made no recommendation for action against Bingham or any others involved.

Senator Dill, Democrat, Washington, later indicated he might start a movement to have Bingham dropped from the Senate Finance committee. The United Press was informed that Chairman Norris of the Senate Judiciary committee, had in his desk today during discussion of the report, a resolution of censure which was not introduced, however.

Held Dishonor Badge

Senator George, Democrat, Georgia, asserted the evidence "pins a badge of dishonor" upon the pending tariff bill. This remark was taken as a clue to plans of Democrats to use the report as an argument against the pending tariff bill.

"Have you any recommendation for action?" asked Dill.

"If I was in authority, I would immediately eliminate every industrial rate increase from this bill," George said.

Public suspicion against the honor and dignity of the Senate in the matter of tariff legislation involved in this situation, Chairman Caraway of the investigating committee told the Senate in submitting the report of the evidence. He severely criticized Bingham for using Charles L. Eyanon, the \$10,000 a year assistant to the president of the Connecticut Manufacturers' association as a government clerk to get Eyanon into the secret deliberations of the finance committee.

Real Advantage

"Whether Eyanon was respon-

sible for changes in rates, I am not prepared to say," Senator Caraway told the Senate. "But the man who employed him to come to Washington believed they had a real advantage."

George did not question Bingham's integrity in the matter. He thought perhaps the Connecticut Senator acted in good faith but "we must consider the results," he said.

"Every schedule and paragraph of this bill is placed under suspicion by the developments in this case and by the fact that the representative of the manufacturers' association was permitted not merely to advise, but to sit in the (Continued on Page 8)

## Padded Cell At County Hospital Urged By Veterans

MARTINEZ, Oct. 26.—The Contra Costa County Board of Supervisors will be asked to provide padded cells in the county hospital for care of insane patients, according to a resolution adopted last night by the Henry A. McNamara Post of the American Legion.

The resolution was adopted following the death here this week of P. H. Cain, Oakland War Veteran, who became mentally deranged after driving his stage into another car. Lodged in the county hospital detention cell, Cain inflicted fatal injuries upon himself by diving head first from his bed to the hard floor.

## Mexico Hit By Epidemic

MEXICO CITY, Oct. 26.—UP—Twelve persons are dead and 40 are seriously ill in an epidemic of spinal meningitis at Juquipam in the state of Michoacan, dispatches to La Presa today said.

## JURY FINDS LOCAL MAN GUILTY

LAMAR, Colo., Oct. 26.—UP—Ralph Fleagle, formerly of Richmond, convicted leader of the Lamar bandit gang, was rushed out of town tonight by Sheriff L. E. Alderman after a jury had found him guilty of first degree murder and decreed that he should die on the gallows.

Heavily chained, the doomed bandit was taken from the courtroom directly to an automobile which left Lamar for an unknown destination. Other automobiles carrying officers followed.

There was no excitement in Lamar after the verdict.

Reports said the officers were rushing Fleagle to a jail in a small town in the northern part of the state, where they expected to arrive early Sunday.

Pals To Hang

George Abshter and Howard Royston, also under sentence to hang Feb. 15 for their part in the bank slayings, were rushed to jail in Pueblo last week after they were found guilty. They are still held at Pueblo.

A jury found Fleagle guilty of first degree murder for slaying A. Newton Parrish, president of the bank and recommended hanging.

In the raid the bandits killed Parrish and his son John Parrish, cashier of the bank and escaped with \$210,000. After they fled to the rendezvous of the band—the "Horseless Horse Ranch"—of J. Fleagle near Garden City, Kan. They killed Dr. W. W. Wininger of Dilean, Kan., a physician who had treated Royston's wound and K. Kessinger, a teller, kidnapped.

Jury Out 4 Hours

The jury was out four hours and five minutes. One hour and 35 minutes of the time was spent at dinner.

Fleagle, handcuffed was brought into the courtroom to hear the verdict. He looked grave. The old gray leader of the bandit (Continued on Page 8)

## PARR WHARF OFFICE MOVED

The offices of the Parr-Richmond terminal company have been moved from the outer harbor to the new inner harbor wharf. All day Friday office equipment was moved from the outer harbor to the new terminal at the inner harbor.

The new offices are better equipped and larger than the old offices, according to announcements made by officials of the company. There is a main business office; an office for Fred D. Parr, head of the corporation, and a private room for shippers.

Charles Engle, operating manager and his assistant, Al Huzefka, moved into the new offices yesterday morning.

The offices are located at the south end of the inner harbor terminal.

## Jury Selected In Trial Of Slayer

NORTH PLATTE, Neb., Oct. 26.—UP—Testimony will begin Monday in the trial of George St. Clair, 22, who has confessed, police said, to choking his young wife to death because she was about to become a mother, and he could not support her. A jury of 12 men has been impaneled. The state will ask the death penalty.

## REBEKAH LODGES HOLD DISTRICT MEETING HERE

The Rebekahs district meeting was held last night in the Odd Fellows temple under the auspices of the Zephyr Rebekahs of Richmond.

It was estimated that over 250 members from lodges in the district, which includes Rodeo, Pinole, Crockett, Martinez and the two Richmond lodges, attended the meeting.

The initiation was put on by the Richmond Rebekahs and the opening and closing of the meeting was exemplified by the hostesses chapter. Each of the other lodges had some part of the work allotted to them.

Due to the enormous crowd which flocked to the hall, it was necessary to have two sittings at the banquet table. While one group was eating, the other group danced.

The banquet was prepared under the supervision of Mrs. Ida Hutchinson, a member of the Zephyr lodge.

Mrs. Ella Locke, district deputy president, was general chairman of the affair.

K. C. Keene, Suisun, past grand master, and Merlin Alberts, district deputy grand master of Crockett, and Mrs. Lucy Bates of Vallejo, district deputy, were among those present.

## What Society Is Wearing

MRS. ARTHUR WHITNEY  
TURNS HER STREET FROCK  
WITH WHITE COLLAR

The touch of a finely pleated white trim softens the smart street frock worn by Mrs. Arthur Whitney on Park Avenue.

Light kid gloves and white pearl earrings and necklace furnish further notes of contrast to the ensemble.

The long skirt, swathed hip-line and slightly fitted bodice emphasize new style details.

For additional accessories Mrs. Whitney has selected a piquant felt hat with turned-up brim, and light silk stockings.

The bride was gowned in a charming blue ensemble traveling costume.

After the ceremony a buffet supper was served at the home of the bridegroom at 1100 Pennsylvania avenue, after which the couple departed for a motor trip to northern California. They will return in two weeks and make their home in Richmond.

The bride is the daughter of Mr. and Mrs. P. H. Crotty of 1224 Lucas avenue, who came here recently from New York. She was formerly a nurse at the Richmond Maternity hospital.

Voss is the son of Mr. and Mrs. Adolph Voss, Sr., of Gaynor avenue, and is an employee of the Pullman shops.

Formation of a junior citizens troop was affected at a meeting Thursday night of the senior citizens troop. The new troop will meet every Thursday night at the Longfellow school.

Meeting Friday, the Longfellow troop planned an overnight hike to be held with the citizens troop in the near future.

The Woodrow Wilson troop planned events to be held in the near future at a session Friday.

A social evening was spent by members of the Harmony Court Order of Amaranth, last night after a short business meeting.

Following the social program, the gathering adjourned to the banquet room, which was decorated in the Halloween motif, where refreshments were served.

The next meeting to take place on Nov. 9, will be "Line Officers' Night." On this night the officers of the order will be advanced.

Among those to be advanced are: Mrs. Minnie Phillips, J. T. Nabett, Mrs. Regina Smith and Mrs. Mabel Mason.

On this evening officers from courts around the East Bay will be in attendance.

According to Mrs. Velma Mae Quinn, Royal Matron, a marvelous banquet and program have been prepared for the occasion.

## HELEN CROTTY, ADOLPH VOSS JR., WED LAST NIGHT

Miss Helen Crotty became the bride of Adolph Voss, Jr., at a ceremony performed in the Trinity Lutheran church last night.

Rev. A. W. Koehler, pastor, performed the marriage ceremony.

The couple entered the church to the strains of the wedding march played by Miss Elsie Reinacker.

Mrs. Charles Smith of Mt. Rose, Colo., attended the bride, while Moe Wallace, of San Francisco, acted as best man.

The bride was gowned in a charming blue ensemble traveling costume.

After the ceremony a buffet supper was served at the home of the bridegroom at 1100 Pennsylvania avenue, after which the couple departed for a motor trip to northern California. They will return in two weeks and make their home in Richmond.

## Soldier Returns Money To Army

WASHINGTON — The United States government is richer by \$20.43 because a former buck private saw the error of his ways in the light of recently acquired religion.

A letter to the War Department related a war time incident in which the soldier put several pairs of army shoes.

"The light I now have proves to me that this Department must be paid," said the letter enclosing a money order.

## SINNERS FILM WITH STAR CAST HIT

Matrimonial conditions which exist at one time or another in many of our lives are treated with a light, delightfully entertaining touch in W. Somerset Maugham's "Charming Sinners," the all-talking comedy drama which is appearing at the Fox-California theater today and tomorrow.

"Charming Sinners" will have a two-day run at the Fox-California theater.

Ruth Chatterton in the role of the offended wife, Olive Brook, as the philandering husband, William Powell as the returned sweet heart and Mary Nolan as the "other" woman head a cast of particular capability and brilliant power. The drama, from the pen of one of the best known and most popular English playwrights, is a scintillating, yet in its treatment of the old adage that what is "safer for the goose" is "safer for the gander."

"Charming Sinners" is laid in fashionable London, peopled with society men and women, smartly dressed and treats the problems of a woman who knows her husband is philandering with her best friend in a clever and entertaining fashion. The story unfolds with twists and unexpected situations, developed from the characters. The dialogue is brilliantly smart and the atmospheric scenes are beautiful to look at.

"Charming Sinners" is enterprisingly intimate. It introduces the audience to a group of people which might be next-door neighbors. It uncovers a quiet situation which leads on the scandalous. It shows the reactions of a wife to a frightening reality, and then takes the audience with her as she applies her woman's wit to extricate herself and her husband from the difficulty.

"Charming Sinners" is one of the big things the talking screen has produced. No one should miss it.

Included in the survivors are Captain Perry Ten Eyck, Whitney Newson, Swede Granger, Walter Weber, Wilson Tripp, Ike McCoy, and Joel Coffield, all of this year's championship team.

The varsity is holding early practices to prepare for their forthcoming trip to Kansas City to meet the University of Kansas in a three game series during the Christmas vacation period.

## Bear Cagers To Meet Kansas U

BERKELEY, Oct. 26.—Thirty varsity players and 20 freshmen survived the first cut in the basketball squad this season at the University of California. The squad was announced yesterday by Assistant Coach Hap Houder, who is in charge while Head Coach "Nips" Price is still occupied with football.

Need for construction of a bay barrier across the upper reaches of San Francisco bay was the substance of a speech delivered by Fred D. Parr before the El Cortito Lion's club recently.

Parr told of the present and future prospects of the Richmond harbor, and urged cooperation on the bay barrier project.

According to Parr, nothing could be done that would give the industrial development of this section greater impetus.

Louis Sinar acted as chairman of the day.

## Spur Planned For Cannery

A spur from the Seaver avenue drill track down Pointeview street to connect with the site of the new Police and Perrelli cannery on the inner harbor, is planned by the Southern Pacific company, it was learned yesterday.

The spur will be taken off the Fourteenth street line, which is intended to connect with the Ford factory site.

Whether the spur will be extended all the way to the Ford site at this time or whether it will run only as far as the cannery is not known.

## Booze Hidden In Cement Block

BOSTON.—When police raided a Roxbury establishment they hunted in vain for liquor. A pipe running along the floor aroused their curiosity, however, and they traced it to the basement, where it entered a large cement block.

The mystified raiders returned to the other end of the pipe, tied a sponge to the end of a cord, and forced the sponge down the pipe. Scores of times they sent the sponge to the other end of the big pipe.

In court they presented 10 quarts of moonshine as evidence.

## Snakes Bane Of Northern Woods

CONDON FERRY, WASH.—This district of the northwest needs a St. Patrick.

Rattlesnakes in unusual numbers and with unusually ornery dispositions—old timers say some snakes are meaner than others—have made their appearance this spring.

A great number have been killed by farmers. William Pendell decapitated three in one week within 50 feet of his house.

A house cat—wild and bored with the job of hunting mice—tried to help the farmers. The feline will recover.

## POLICE START BAD LIGHT DRIVE

SACRAMENTO, Oct. 26.—A ten-day "cleanup" drive against the glaring headlight evil was ordered today by Eugene W. Biscailuz, superintendent of the California Highway Patrol.

The drive, which will be statewide in character, will begin Monday, Oct. 28, and close Friday, Nov. 8. Biscailuz said it was a final effort to drive dazzling and glaring lights off the roads before the winter rains set in.

A force of some 235 state patrolmen, captains and inspectors will be at work on the roads every night during the period.

## Large Force

They will be supplemented by several hundred policemen representing various municipalities, sheriffs, sheriff's deputies and other peace officers, the cooperation of these bodies having been pledged in the drive.

All officers will be expected to work every night on headlights during the drive, Biscailuz said.

The patrol has been engaged in headlight enforcement work all of this month, the first fifteen days having been devoted to educational work among the motorists.

## Warnings Issued

During this period warnings only were issued. This policy has now been abandoned for sterner measures. Persons caught with glaring lights are required to appear in court within five days and exhibit evidence that their lights have been adjusted.

Biscailuz said warrants would be issued immediately for the arrest of all who fail to appear within the five-day period.

The Division of Motor Vehicles will not renew the operator's card and registration license of any person who fails to appear within fifteen days, in compliance with a section of the new motor vehicle act, until the case is disposed of by the court and notification sent the division by the court.

"We are going to try and make it a 'flash' light this time," Biscailuz said.

## Musician Will Be Featured At San Pablo Church

Three Richmond musicians will be featured tonight at the services of the San Pablo Baptist church. Mrs. Helen Bodin, soprano and Frank Bodin, bass, will sing several solos and duets, accompanied by Mrs. Lida Josephine Purman. Mrs. Purman will play two pipe organ selections and a piano solo. Miss Bonnie Sisson, organist, will play the organ prelude and offertory numbers.

"The Glory of Loyalty" will be the topic of the sermon to be delivered by Rev. Harry Kern.

## Officer Phipps Breaks Finger

Patrolman E. F. Phipps, of the Richmond Police department was treated at the Abbott Emergency hospital last night for a broken finger on his right hand. He was later taken to his home.

While assisting Inspector Wylie to start his car last night, the door of the machine slammed shut and caught Phipps' finger.

**MORTEMOTH  
KILLS MOTHS**

The gas from Mortemoth crystals not only protects your furniture for a long time, but contact with it kills all moths, their eggs and their dangerous larvae in furniture which is already infested.

The proper method of using Mortemoth crystals is to tie them in small sacks, and to place these sacks down in the channel of the piece, as deeply as possible, behind the cushions, so that, upon expansion, the gas will spread and fill the spring units in the back and in the bottom of the piece.

When the sacks are empty, fill them again.

### School nurse, says all girls should know this

TALKING to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking nujol, since it works mechanically and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when nujol should always be taken. Take a spoonful every night for a few days. It's a thoroughly safe and harmless method. It won't cause distress or gas pains or griping."

Nujol is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so pure and harmless, it works so easily. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Get the genuine.

## WESTERN AUTO TIRE SALE OPEN

The announcement given out this week by the Western Auto Supply company, that the low tire price schedule which went into effect in all Western Auto stores recently, is still in effect despite recent newspaper reports indicating that a general advance in tire prices is expected. It comes as good news to thousands of auto owners in the west.

Information from the offices of the company discloses that they are able to maintain the present low prices due to huge purchases while materials were low in price and the company is not forced to meet advancing costs with higher tire prices at the present time.

Maintaining the company's saving and service policy toward its customers, the public is able to purchase tires at Western Auto at the lowest prices in the history of the company. This includes Western Giant and Wearwell makes, in both the balloon and high pressure types.

"The road proven dependability of Western Auto tires has kept them well in the forefront among tires of quality," asserts Clifford Johnson, local store manager. "Their popularity among auto owners is proven by more than a million now in use giving satisfaction and economical service under all conditions."

"At this time, managers of the Western Auto stores, all over the west, are expressing great satisfaction at the reception which has been accorded the new Double Duty Western Giant balloon with center traction tread which recently made its appearance on the company's tire rack. This tire is the result of a long series of experiments and tests to determine just what characteristics would make a tire best suited for western conditions and for modern motoring needs."

## Tire Inflation Affects Speed

Tire inflation plays a big part in the correct registering of the speedometer. These carefully calibrated instruments are set for operation with correctly inflated tires. Changes in inflation changes the circumference of the tire, and this in turn affects speedometer readings.

## Horn Blowers Scored By Club

Only the thoughtless motorist sounds his horn when his car is in a traffic jam. Horn-blowing under this condition is useless and meaningless, points out the California State Automobile association.

Such a practice irritates others; it doesn't clear the jam; it frequentlyangers all concerned and further delays the movement of traffic.

The proper place to make liberal use of the horn, is when driving on curves; on mountain roads or when approaching blind intersections on country roads. In such places the motorist who has the horn-sounding habit may indulge to his heart's content with a resultant reduction of the accident hazard.

## Wrenches Needed In Car Tool Kit

The general and generous assortment of adjustable wrenches are a most important feature of any repair kit, but, it is always better to use a nonadjustable wrench if one can be found to fit the need. The nonadjustable feature adds greatly to the strength of the tool and permits greater leverage being applied with less danger of breakage or slipping. A slipping wrench affects the nut as well as the tool.

## Oil Spare Tire Lock On Machine

It is a good idea to put a few drops of oil on the spare tire lock when you are lubricating your car.

The California State Automobile association points out that often motorists are forced to break the lock when changing a flat because of rusting of the lock.

## Here's Tip For Radiator Paint

A solution of ordinary lampblack and turpentine (one pint of turpentine to two ounces of lampblack) will solve the problem of brightening up the finish of the radiator core, which has become streaked during winter driving, states L. G. Evans, general service manager for the National Automobile club.

## CHEVROLET SIX MAKES RECORD SALES

More than 1,400,000 six-cylinder cars have been sold in the United States this year, a study of registration figures, received here by E. W. Fuhr, Pacific coast regional manager for Chevrolet, disclosed.

"Thirty-five percent of these have been Chevrolets," said Fuhr. "In the seven months ending with July, 515,142 Chevrolet registrations were recorded in the States, all but a small carry-over from last year's production being sixes."

"According to Automobile Topics' comparison with the corresponding figures for last year, five switches of General Motors' basic line from four to six-cylinder status was accomplished with a loss of only about 4 percent in registration."

"This is remarkable, as the car was entirely new and none was delivered until January of this year. The importance of this line is further indicated when it is found that every fifth car registered in the seven months, regardless of price or style, was a Chevrolet. New York leads all other states in Chevrolet sales, the registration figures reveal, the seven months' total in the state being 39,816. Michigan was second with 36,110, and Ohio third with 35,703."

"This is the same order in which these states appear in registrations of all makes of passenger cars and in general Chevrolet sales parallel those of the industry as a whole. Texas is an exception to the rule, however, as its 32,139 registrations place it fourth with Chevrolet, whereas it is seventh in the roster of the industry as a whole. Missouri and Iowa are also exceptionally heavy in Chevrolet registrations."

The Golden Rule Chevrolet company at Fourteenth street and Macdonald avenue is Richmond agent for the Chevrolet.

## One Car For Five In U. S.

From statistics compiled by the National Automobile club, there are in the United States 24,493 automobiles, or one for every five and six-tenths persons. It would therefore be possible for every human in this great country of ours to be riding at one time without seriously crowding the total seating capacity of our automobiles.

# Millions of Miles of Constant Testing

to maintain the outstanding quality and dependability of The Chevrolet Six

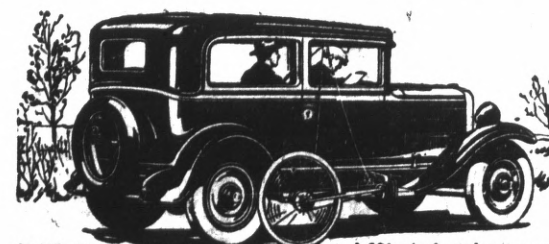

In spite of the fact that a million Chevrolet Sixes have already been placed in the hands of owners, and have proved their performance and stamina by billions of miles of service over every type of highway the nation affords—

—the Chevrolet Motor Company continues to take new Chevrolet Sixes from the assembly line at the factory and subject them to pitiless testing on the roads of the General Motors Proving Ground!

This passion for proof—this consistent refusal to accept any

tests as final—is one of the fundamental reasons for the overwhelming popularity of Chevrolet cars. For in no other way is it possible to make the Chevrolet Six so sound in design and materials—so dependable in performance—and so economical to operate!

If you are considering the purchase of an automobile, come in and see the new Chevrolet. You will find that it is more than a Six in the price range of the four. In every way it is a finer car than you ever thought possible in the low-price field!

## CARDS LOSE TO TROJANS; CALIFORNIA BEATS CLUB

### O. C. DEFEATED BY CLOSE SCORE

BERKELEY, Oct. 26.—Playing without the services of the first team, the Golden Bear of California defeated the Olympic club by a score of 21-19 this afternoon in California Memorial stadium. Scores came thick and plentiful, with the lead see-sawing from team to team.

"Rusty" Gill, California fullback bore the brunt of the game, ripping off long gains through the line and doing most of the passing. The first touchdown came early in the first quarter, following an intercepted club pass. A series of bucks by Gill, and a completed pass, Rice to Bartlett, and Bartlett to Gill on a lateral, scored the first points for California. The try for point was successful.

In the second quarter, Broberg of the Olympic Club intercepted Rice's pass on the club's five yard line and ran the ball back 73 yards to California's 22 yard line where he was tackled by Rice. The touchdown for the club came shortly after, a series of bucks by Fredericks and McLain bringing the ball over to the Bear's 10 yard line. Here Fredericks carried the ball over for a touchdown. The attempt to convert was foiled, and the score was California 7, Olympic Club 6.

A long run by Rooney gave the club the lead in the third quarter, but the California second string came right back in the fourth quarter with two touchdowns and made the score 21-13 in favor of the Bears.

Late in the last quarter the Olympic Club made a determined bid for the game, scoring one touchdown, but was forced to be content with that, ending the game with California winning, 21-19.

### Gym Jinx For Longfellow Jr High Planned

The second annual gym jinx will be held at the Longfellow Junior high school gymnasium on Nov. 8, according to G. E. Hiatt, P. E. director of the school.

Hiatt has secured the services of some of the best boxers, wrestlers, fencers and gymnastic teams of the University of California for the occasion.

Capt. Clarence Moeller, the phenomenal one legged gymnast who annexed the Pacific coast all-around athletic title last year, will again be featured on the local program.

Supporting him will be the Naible twins, Del Harlow, a parallel and horizontal bar champion, Bill McGuire, also on the parallels and long horse; Bill Maslin, a tumbler; C. E. Matson, champion wrestler of the Pacific coast and Cassi Konderschoff, far eastern, Graeco-Roman champion.

The boxing matches will feature several middleweight and lightweight boxers of prominence, and there will be also fencing matches. The proceeds of the event will be used to equip the Longfellow school gymnasium.

### Junior Soccer League Opens

The East Bay Junior Soccer league will open today with a contest between the Scandia club and the Acorns, both of Oakland. The game will be played at the Oakland Trotting park.

The Richmond Soccer club will play its first game in the league (Nov. 3, when it meets the Ibericos of San Leandro. The Richmond team will hold a practice today at 10:30 o'clock at Nicholl park, at which time all athletes interested in soccer may try out for positions on the local team.

A trophy will be awarded to the winner of the Eastbay Junior Soccer league by the senior league.

ON THESE brisk, fall mornings, the Harry Payne Whitney estate near Westbury, N. Y., is the scene of fox hunts as the Meadow Brook club meet. The pack is shown going to the meet.

### Flood Lights Aid Bear 11 At Practice

BERKELEY, Oct. 26.—The Golden Bear football team of the University of California have their own system of daylight saving.

The darkness of October evenings has been banished from the Bears' practice field by a recently installed system of floodlights which are used nightly as the varsity works over time preparing for the California Southern California game at Los Angeles on Nov. 2.

Eight towers supporting the lights were designed and installed by Paul Wucher, mechanic for the Associated Students. Clever electrical engineering work was employed to supply current to the towers. Four of the structures are anchored permanently near the sidelines of the southwest practice field, and are fed by a line circling the field.

A conduit line encased in water proof lead cable is in turn protected by steel pipe, was run through the center of the gridiron to supply current to the other four towers, which are movable.

The movable towers are mounted on two wheels and may be moved like wheel barrows. Huge flood lamps, 15 inches in diameter containing 1000 watt globes are mounted on them. Experiments are now being made with a special lens, the pitted surface of which diffuses the light.

### Motor Nine To Meet Valve Team

A fast game is expected to be played today when the Thomas Motors nine meets the Marco Valves of Oakland at the First street diamond. The contest will begin at 2:30 o'clock. Doyle Taylor will hurl for the Motors squad and Borraani will be the local receiver. Taylor has been pitching a snappy ball lately, and is expected to be a high-light in today's game.

### Hen Sets New Egg Laying Mark

SPRINGFIELD, Ill.—An egg setting of agriculture's poultry each day since February 24; an experimental project.

### GAELS FAVORED OVER GRAY FOG 11

SAN FRANCISCO, Oct. 26.—The Gael gridders will attempt to maintain this season's record of an uncrossed goal line when they clash with the Gray Fog of St. Ignatius today at Kozar stadium.

St. Mary's is favored to win by a comfortable margin, for Coach "Ship" Malignan has one of the most formidable football squads on the Pacific coast. Madigan has announced that he will send his strongest lineup into the fray which makes the horizon very dark for St. Ignatius.

Yet St. Ignatius will not be beaten without a fight. They hold St. Mary's to a 13 to 0 score last year, and they are reported to have a still stronger outfit ready for action in today's contest. Four games played this season. The single defeat was administered by Santa Clara, who carried off the game by a 20 to 7 score. The Gray Fog will have to be at its best playing standard today if it expects to keep the Moraga Valley boys within control.

Stennet and Dick Boyle are expected to loom large for St. Mary's today, while Patterson, Fitchford and Scheffin are expected to be prominent figures in the Gael attack. Big fellows such as Ackerman, Seghetti, Herin, McNally, and Ebling will add strength to the St. Mary's line.

Capt. Jack O'Barie is expected to be one of the big guns in the St. Ignatius line. Bob Kieckner, Lindsay Warford, Barrells, and Saddochi compose a speedy backfield for the Ignatians.

Today's game is probably considered an important contest by the Gaels; for they are exceedingly anxious to preserve their record of an uncrossed goal.

Still going strong, is the record of a White Leghorn hen, on test at Murphysboro in the southern Illinois unit of the state department of agriculture's poultry each day since February 24; an experimental project.

### Ted Jernigan, Beasley Will Fight Friday

Ted Jernigan and Jack Beasley will furnish the excitement in a ten round main event on the fight card for Friday night at the El Cerrito Athletic club.

Both of these heavyweights are first class fighters, and are expected to provide an exciting scrap for the amusement of the local fans.

The six round semi-windup will be between Joe Cheney and Jack Fasano. Fasano, a Fresno boy, has a record of wins over fighters such as Joe Vargas and Babe Anderson.

The remainder of the Friday night card includes: Joe Limas vs. Albert Leo, four rounds; Julius Muniver vs. Jack Rowe, four rounds; Frank Pivo vs. Lawrence Albarez, four rounds.

### Corey's Garage Nine To Meet Alameda Team

The Corey's Garage nine will clash with the Alameda Japanese today on the El Cerrito diamond at 2:30 o'clock. Cabral or Viano will occupy the box for the Garagemen, and Rosano will be behind the plate for the locals.

Corey's Garage has been making a fair showing in the Oakland Winter league, having won one game and lost one. It was defeated 11 to 5 last Sunday by the Restovich Grocery team.

The locals won by the same score the previous Sunday against the Dolan Wreckers.

Corey's Garage will meet the Barrons of Oakland Nov. 3 at the El Cerrito diamond.

The standing of the members of the Oakland Winter league is:

Barrons	2
Corey's Garage	1
Dolan Bros.	1
Restovich Grocery	1
Rud Heaters	1
Alameda Japanese	1

### YALE TAKES SURPRISING VICTORY FROM WEST POINT GRID TEAM, BOOTH STARS

YALE BOWL, New Haven, Oct. 26.—UP—"Albie" Booth's mother had never seen him play football. "I guess the only way I'll find out about the game is to go out there this afternoon," she added, there this afternoon," she added.

The little white-haired woman huddled in furs in seat 7, section H of Yale Bowl, found out all right. The Army team found out, too.

#### Army Crushed

For Albert J. Booth, Jr., one of the first New Haven boys to make good on a Yale football team, ripped the vaunted Army team to shreds and practically single-handedly brought the Bull Dog from behind to a glorious 21 to 13 victory.

Before "Albie" went into the game Yale was a beaten team, if there ever was one.

The Army was leading 13 to 0 having scored two touchdowns. The Bull Dog had its tail down and was playing ragged, listless football. And then a ragged cheer from the Eli stands, rolling off half-heartedly through the big bowl, where 80,000 spectators in colorful array under the bright October sun sat watching "Yale take another licking," heralded the arrival in the game of "Albie" Booth.

#### Makes Score

After that everything was different. Booth assumed the role of spark plug in a fighting machine that would not stop. The Army couldn't stop it. Booth cut loose on his very first play, dashing back 20 yards with the Army kickoff. He punted and Captain "Pip" Greene lumbered up and flopped upon Glibner's fumble.

Yale gave the ball to Booth and he did the rest. Slashing and stabbing his way through the forward line and skipping free of the secondary defense, he was over the Army goal line for a touchdown inside of half a dozen plays. He kicked the goal.

A few moments later "Albie" again was tearing through the Cadet defense, carrying the ball right down to the goal line before an intercepted pass halted the advance, and the half ended with the Army still in the lead 13 to 7.

#### Cagle Scores

Wasn't "Red" Cagle, the All-American halfback in the game? Oh, yes, Cagle was in there trying, and had sprinted with an intercepted forward pass 55 yards to score the Army's first touchdown.

But listen to this about "Albie" and see what his little mother up there in seat 7, section H, found out about football.

In the third quarter Booth again became a veritable demon. Shooting off tackle and skirting right end, he twice brought the ball to the shadow of the Army goal posts. And then came the break in the game.

Booth's try for a field goal went wide and the Army put the ball in play on its 20-yard line, after the third period was about five minutes old.

The mighty Cagle was tossed for a seven yard loss. Johnny Murrell's punt was short and the ball was grounded on 1 Army's 35 yard line. From that point, "Albie" Booth took it right back for another Yale

touchdown. With some assistance from a fast running Eli back known as a Thomas Taylor, he had tied the score in no time. Then he kicked the goal and put Yale out in front.

#### Kicks 72 Yards

And a minute later there was "Albie" again, shooting over the goal line of the baffled Cadets for his third touchdown of the day. Yale kicked off and when Army couldn't gain, Murrell punted to Booth on Yale's 28-yard line.

With the ball tucked closely against the spot where his happy little mother will put that New England boiled dinner this evening, "Albie" sprinted like a frightened deer through the entire Army team 72 yards for a touchdown.

He kicked the goal.

A few minutes later in the fourth quarter when the game was won, they took "Albie" Booth out of the Yale lineup.

#### Great Game

That was all as far as this ball game, one of the greatest in Yale-Army history, was concerned.

"Albie" Booth, that's all.

He had gained 165 yards from scrimmage alone.

For the rest it was a game which surprised the multitude in the bowl this sunny afternoon with the spectacle of Yale playing the Army off its feet.

Even at the start, when the Cadets piled up what looked like a commanding 13 to 0 lead the Bull Dog was out-rushing the Army Mule.

#### Many Fumbles

It began with fumbles, as so many Yale games do. Charley Sneed, who started in Booth's position at left half, fumbled to spoil an Eli advance and Army recovered. Then "Red" Cagle fumbled and Yale recovered.

Cagle Gets Pass  
Yale tried its first forward pass, a beautiful throw, right up against the jersey of the future second lieutenant Christian K. Cagle. Cagle took it on the run and never stopped until he was over the Eli goal line 65 yards away for a touchdown.

Donald McLennan, also in there for a time in lieu of Booth ripped up the Army line left and right, but his team-mates were not with him.

In the middle of the second quarter, Charlie Humber intercepted another Yale forward pass and the Army shortly thereafter got another touchdown. Cagle starting from Yale's 40 yard line where Humber had been tossed, made his best gain from scrimmage of the entire day, an off tackle slant of 11 yards.

#### 20 Yards Score

Then Johnny Murrell, on the old Army's spinner play, went through 29 yards for a touchdown.

Dick O'Keefe, who had booted a goal for an extra point following Cagle's dash, missed this one.

Coach Ma! Stevens turned from his seat on the Yale bench and said something to one of the figures huddled in big blue blankets in the straw. Off came the ball game and the Arm ychopes of victory.

"Albie" Booth lives with his folks in a little house on the

### STANFORD 11 OUTPLAYED BY TROY

PALO ALTO, Oct. 26.—Out-playing the Cardinals every point in the first half, the U. S. C. Trojans today took a 7 to 0 victory.

Starting in the first quarter, U. S. C. started a power drive that Stanford could not stop.

In the second quarter the Trojans made the only touchdown, and the winning one.

#### Cards Weak

Taking the ball on its own 20-yard line, the Trojans plowed through the field, making yardage at every time. Duffield was the star on this long drive.

Time after time he plunged through the Stanford line which was pitifully weak. The ball was finally taken to the Stanford 25 yard line.

On the next play Duffield passed 25 yards to Tapaan who touched the ball down for six points. Musick kicked the extra point.

Pop Warner's team was slow and weak and put up a disappointing game from start to finish. Its highly touted power plays were smashed and broken by the powerful Trojans who played a whale of a game.

#### Held For Downs

Time after time the Stanford team would gain yardage in the middle of the field, only to be held on downs with inches to go.

The Stanford line failed to hold against the powerful Trojan attack.

From all appearances U. S. C. can now be safely judged as the champion of the Pacific coast. The 88,000 persons who witnessed the game today can testify to that fact.

Next Saturday the Trojans meet California at Los Angeles; with the odds favoring Howard Jones' warriors from Troy.

### San Pablo To Meet Billiards

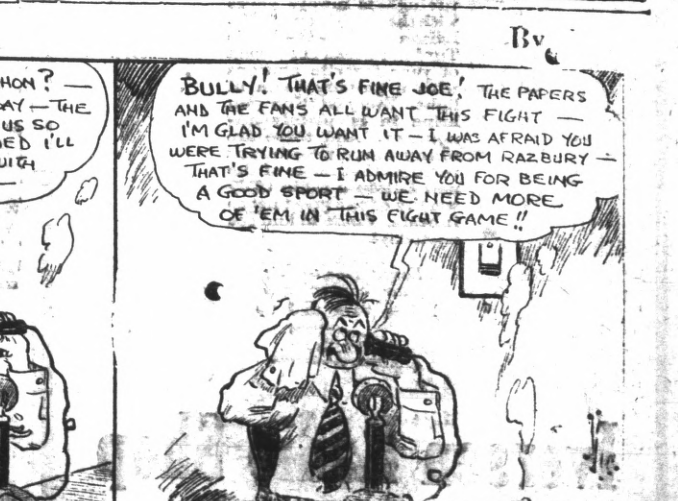

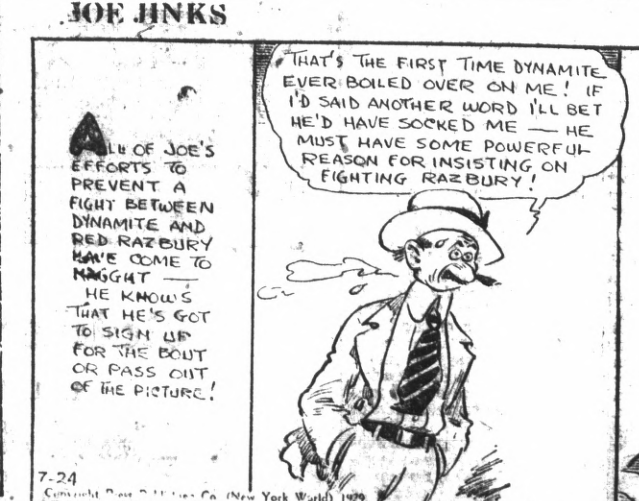

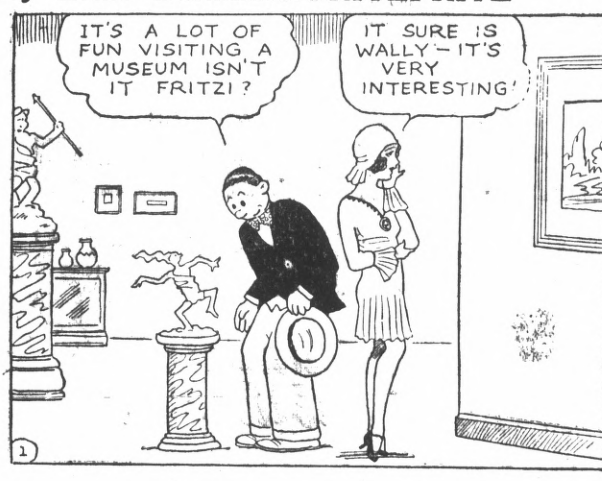

The San Pablo ball team will meet the Oakland Billiards nine today on the San Pablo diamond at 2:30 o'clock. This will be the second game of the winter league. The local team is reported to have a strong team, and it will probably make a fine showing today. A large group of spectators is expected to witness the contest.

## LEGAL NOTICES

### NOTICE OF RECORDING OF AN- ASSESSMENT IN THE MATTER OF THE OPENING AND EXTENDING OF PENNSYLVANIA AVENUE IN THE CITY OF RICHMOND, CALIF.

NOTICE IS HEREBY GIVEN THAT the assessment together with the diagram attached thereto and made a part thereof for the opening and extending of Pennsylvania Avenue in the City of Richmond, County of Contra Costa, State of California, No. 456, under and by virtue of the provisions of the "Street Opening Act of 1927," has been recorded in the office of the Superintendent of Streets of the City of Richmond, and that all sums assessed thereon are due and payable immediately, and that the payment of the said sums is to be made to the said Superintendent of Streets within thirty (30) days after the date of the first publication of this notice, to-wit: October 17, 1929.

All assessments not paid before the expiration of said thirty (30) days will become delinquent and thereupon five (5) per cent of the amount of each assessment will be added thereto.

Dated at the office of the Superintendent of Streets, this 17th day of October, 1929.

EDWARD A. HOFFMAN,  
Superintendent of Streets of the City of Richmond.

## TARIFF BILL SCORED IN PROBE

(Continued from Page 1)

ance committee during part of the time the bill was under consideration," George said.

**Bingham Silent**  
Bingham sat silent during the discussion, but Republican floor leader Watson arose to say he assumed that Eyanon did not talk to members of the committee. He said the committee acted upon the "theory of granting protection and not upon Eyanon's word in framing the bill."

The evidence of the activities of Joseph R. Grunty, head of the Pennsylvania Manufacturers' association was considered most important by Senator Blaine, Republican, Wisconsin.

**Huge Campaign Fund**  
"He has frankly admitted," said Blaine, "that he collected hundreds of thousands of dollars from manufacturers for campaign funds and frankly admitted that something was expected in return. He went almost so far as to assert that a contract, an implied contract, existed, and he was here in Washington to insist on fulfillment of the contract."

Watson contended Blaine could point out no result of Grunty's lobbying in the bill. Grunty wanted the American valuation plan of fixing future tariff rates, but the committee refused to follow the suggestions, Watson said.

One of Grunty's influences, said Senator Borah, Republican, Idaho, was that he induced Republican leaders to undertake a general tariff revision.

**Influence Denied**  
"Far be it from me to suggest that a man of Grunty's character and utter want of integrity could have influenced any senator," Borah added.

Caraway's report criticized only one phase of the evidence, which showed the New York, New Haven and Hartford board contributed \$4,000 a year to the funds of the Connecticut Manufacturers' association which were used to send Washington lobbyists. The report promised the committee would ascertain if a law had been violated by the contribution.

The only recommendation was for adoption of a resolution calling upon Secretary of Commerce Lammie to furnish the Senate a list of all one dollar a year men in the department's employ. The committee contends that the employment of J. E. Walchist of the Manufacturers' association by the department for \$14, is in violation of the law which states no government employee shall receive any money from any outside sources. The report did not seek to apply this law to the Eyanon case.

## Trials May Aid Buron Fitts To Higher Position

(Continued from Page 1)

Fitts is only 34 years of age. He was comparatively unknown in 1920 when, then a minor deputy in the Los Angeles district attorneys' office, he limped down a convention hall in San Diego and was elected commander of the American Legion, department of California.

A successful year in Legion affairs acquainted California with Fitts and in 1923 he became chief trial deputy under Asa Keyes.

Nov. 2, 1926 saw Fitts elected as lieutenant governor of California by a tremendous vote but he resigned to run for district attorney of Los Angeles county, being elected last January.

**Prosecutes Keyes**  
The first task of national interest to confront Fitts was the prosecution of Asa Keyes, his former superior and friend who was charged with accepting bribes while district attorney. Keyes was convicted and is now under sentence to San Quentin.

The second big case to hold national attention was the trial of Mrs. Lois Pantages. Under the direction of Fitts, Mrs. Pantages was convicted of manslaughter in connection with an automobile accident in which a Japanese was killed.

Close in the wake of the Mrs. Pantages case was the trial of Alexander Pantages, her husband and millionaire showman. He was accused of assaulting 17-year old Eunice Pringle. A jury today is deliberating his fate.

**Career Followed**  
Thus the career of the slender world war veteran is being followed closely here by professional politicians. All agree that he is ambitious and wonder whether the Republicans of southern California will reward his prosecuting efforts with offers of support as a senatorial or gubernatorial candidate. As for Fitts he has said nothing regarding the seeking of higher offices.

purchased by Doheny. The law provides that by serving 30 days in addition to any jail sentence, and taking the "poor convict's oath," any prisoner may escape payment of a fine.

Some of Fall's relatives or friends, like Doheny, might make up enough to pay the fine, if he is ultimately called upon to meet the court's penalty. Fall remained in seclusion in his hotel suite today, with his wife, daughters and friends, smarting under the ignominy of being the first cabinet officer in United States history to be convicted of a felony committed while in office.

## FEAGLE MUST HANG FOR 4 MURDERS

(Continued from Page 1)

band breathed heavily as the jury took their seats. Under the law the court must sentence Feagle to hang.

Feagle's attorneys made a spectacular legal fight to save the neck of their client. They based their effort on an alleged agreement made by Feagle with Malcolm Erickson, district attorney and other officers. In return for confession, the state agreed, Feagle's attorneys maintained, that the hanging penalty would not be asked.

**Agreement Fought**  
The prosecution broke wide open when it came to an interpretation of the agreement. While other officers testified that agreement did not bind them, Hugh D. Harper, chief of police of Colorado Springs and Attorney General W. A. Smith of Kansas, testified for the defense. They said the states representatives agreed not to ask death.

It was Ralph Feagle's confession that enabled the officers to arrest and convict Absher and Royston and caused them to start a nation wide search for "Little Jake" Feagle, brother of the bandit leader.

## JURY TOLD TO CONSIDER AGREEMENT

LAMAR, COLO., Oct. 26—(U.P.)—The jury trying Ralph Feagle, bandit leader, on charges of murdering A. N. Parrish, president of the First National Bank, today was instructed to consider carefully the agreement between Feagle and state officers that preceded his confession. The defense maintains that Malcolm Erickson, district attorney and other officers promised that the hanging penalty would not be asked for Feagle. Erickson has placed a different interpretation on the compact.

Judge A. F. Hollenbeck, presiding, in his instructions said in part:

"The defendant and his attorney, I think it may be fairly assumed from the evidence, believed the promise to be that the former would not receive the death penalty, and, so believing, defendant made his confession, which fully cleared up the mystery surrounding the tragedy in which he took part and has brought to the bar of this court three of the four parties guilty of it, and disclosed the identity of the fourth party. "You are instructed that evidence of such compact and confession and matters incident thereto, are circumstances to be taken into consideration by you in determining what punishment should be fixed by you in your verdict, if you find the defendant guilty of murder in the first degree. Such compact, or agreement, however, in no way deprives you of the right given you by statute, to impose the death penalty, if you find and believe from all the evidence adduced herein beyond a reasonable doubt that he is guilty of murder in the first degree and that such sentence should be imposed."

## Schools Will Close Dec. 13

The winter semester at the Richmond schools will draw to a close Dec. 13, according to an announcement made yesterday from the offices of City Superintendent of Schools, Walter T. Helms.

The spring semester will open Jan. 6, 1930, it was stated. Armistice Day exercises will be held by the schools Nov. 8, and Armistice Day, Nov. 11, will be a holiday.

The Thanksgiving holidays will be held from Nov. 28 to Dec. 2.

## Mrs. G. Hiatt Asks Divorce

MARTINEZ, OCT. 26—Suit for divorce was today filed by Mrs. Cecile F. Hiatt against George Hiatt, teacher at the Longfellow Junior high school in Richmond.

According to Mrs. Hiatt's complaint, Hiatt remained away from home at night, and told her that he had no love for her. The couple was married in 1921 and separated on Oct. 2.

Mrs. Hiatt asks permission to resume her former name, Cecile Finley.

out late tonight. As the moments rolled by Pantages, the elderly millionaire who came here from Greece and formed the foundations of his fortune during the Alaska gold rush, grew increasingly nervous.

If Pantages is found guilty it probably will mean he will go to San Quentin prison for the remainder of his life. If acquitted he probably will retire from public life, due to the sensationalism of the trial and if the jury fails to agree he may have to face the ordeal of another trial.

While the jury deliberated, Pantages talked occasionally with his sons, Rodney and Lloyd, who were by his side. His voice with the heavy accent of a foreigner was in vivid contrast to the smooth and cultured tones of his American born sons.

## Cox Presents Scout Badges At Vallejo

Robert F. Cox, Richmond Scout executive officiated at the presentation of 80 individual awards and three troop awards at a scout jamboree held last night in Vallejo. The affair was under the direction of Capt. E. H. Kearney, of the U. S. Navy, and was attended by more than 3,000 persons in Sportsmen's club where 11 troops of Vallejo presented merit badge exhibits.

The exhibit was one of the most extensive he has even seen in this section of the country, according to Cox, who commented on the fact that Vallejo has 11 active Boy Scout troops. The evening's jamboree was opened by Mayor F. H. Hegler and included a general scout program.

During the course of the evening Cox made the 80 individual awards and three troop awards to the Vallejo scouts. Exhibits on display included firemanship, archery, aviation, bird study, pottery, handicraft, basketry, electricity and blacksmithing.

## Richmond Wife In Divorce Plea

MARTINEZ, Oct. 26—Richard Fahey, Richmond Santa Fe employee, was today named as defendant in a divorce suit filed by his wife, Mrs. Annie K. Fahey. Mrs. Fahey charges that Fahey slapped her and unjustly accused her of flirting with other men.

According to her complaint, Fahey once crammed a towel in her mouth until she became blue in the face. On another occasion, she charges that when she sought refuge in a friend's house, Fahey came to the residence with an axe and threatened her.

Mrs. Fahey, who is represented by Will Roberson, asks alimony of \$50 a month.

## Steamer Loads Cargo Of Oil

The ship will leave either Wednesday night or Thursday morning for Japan.

## Coast Counties Gas Protests P. G. E. Hearing

MARTINEZ, Oct. 26—A protest has been filed with the Railroad Commission by the Coast Counties Gas & Electric company against granting the petition of the Pacific Gas and Electric company to reopen the hearing in which the C. C. G. & E. asked authority to distribute natural gas in and around San Juan.

The Coast Counties in its petition, alleges that the P. G. & E. should wait and see if any attempt is made by the company to distribute gas in the area of the P. G. & E. The petition further stated that if the company had any grounds for complaint it should file it with the commission in the regular manner.

The Coast Counties company had applied for authority to distribute natural gas in San Benito county, and had planned, according to the original application, to buy the gas from the P. G. & E. After the acquisition of the Coast Counties by the Standard Oil, it filed another application to run a pipe line from the Kettleman hills to Contra Costa county.

The P. G. & E. recently petitioned the commission to reopen the hearing.

# Welcome Mr. Moran!

Richmond welcomes Mr. A. A. Moran.

For the benefit of those few who do not know of Mr. Moran, he is one of the most successful shipping executives in the United States.

He is going to apply his brilliant talents and his wide experience to the job of developing freight tonnage for Richmond.

He comes here as the freight traffic manager of the Parr-Richmond Terminal corporation, and he is going to live in Richmond. He was for some years connected with the Dollar Steamship Lines, developing their round-the-world, trans-Pacific and inter-costal business. He has assured the Chamber of Commerce that a vast tonnage can be developed for the new terminal and that Richmond can be put on the shipping map of the world in a really big way.

All this ties in with our industrial program because industries demand smooth-running, well-managed terminal facilities.

Therefore the Chamber of Commerce welcomes Mr. Moran and pledges him what support he requires to make a success of the enterprise upon which so much of our community success depends.
